

ILLUSTRATIVE EXAMPLE - pdl_reclaim_long mechanics on one real archived trade

(first trade, fold 0, seed 891022, RS; winner params: sweep_bps=5.0, stop_kind=wick_extreme, target_plan=mid_then_opposite, time_stop_bars=48, min_net_reward_risk=1.5, entry_rule=first_retest, min_sweep_bps=25.0)

Chosen by a fixed rule (chronologically first trade of the first seed's fold 0), not by outcome. Mechanics illustration only - NOT additional evidence of profitability.
